

CENTRAL CONTRACTOR REGISTRATION (CAGE CODES) DFARS Case 2003-D040

- **DFARS Parts 204, 212, 213 and 252 are amended to remove policy on Central Contractor Registration (CCR) that duplicated policy found in the Federal Acquisition Regulation (FAR).**
- **The rule also addresses requirements for use of Commercial and Government Entity (CAGE) codes in DoD contracts.**
- **Federal Register Publication on September 30, 2005.**

UNIQUE ITEM IDENTIFIER DFARS Case 2003-D081

- **DFARS Parts 202, 204, 211, 212, 243 and 252 are amended to establish policy for unique identification and valuation of items delivered under DoD contracts.**
- **Federal Register Publication on April 22, 2005.**

GOVERNMENT SOURCE INSPECTION REQUIREMENTS - FINAL RULE

- **DFARS 246.402 , Govt contract quality assurance at source**
- **Eliminates Govt QA at source for contracts or delivery orders below \$250K unless--**
 - **Mandated by DoD regulation;**
 - **Required by MOA between acquiring department or agency and the contract administration agency; or**
 - **The CO determines that--**
 - (1) contract technical requirements are significant;**
 - (2) the product acquired has--**
 - critical characteristics;**
 - specific features that make QA at source necessary; or**
 - specific acquisition concerns that make Govt QA at source necessary; and**
 - (3) the contract is being awarded to--**
 - a manufacturer or producer; or**
 - non-manufacturer or non-producer and specific Govt verifications are necessary and feasible to perform.**

QUALITY CONTROL OF AVIATION CRITICAL SAFETY ITEMS (CSI) AND RELATED SERVICES - FINAL RULE

- **DFARS 209.270 & 246.407**
- **Implements Section 802, FY 2004 DoD Authorization Act.**
- **Section 802 requires DoD to develop a quality control policy for the procurement of aviation (CSI) and the modification, repair, and overhaul of those items.**
- **Responsibilities of the head of the design control activity--**
 - **identifying items that meet aviation CSI criteria;**
 - **approving qualification requirements IAW procedures established by the design control activity; and**
 - **qualifying and identifying aviation CSI suppliers and products.**
- **Approval authority for accepting nonconforming aviation CSI is the head of the design control activity.**
- **Acceptance of minor nonconforming aviation CSI may be delegated as determined appropriate by the design control activity.**

NOTIFICATION REQUIREMENTS FOR CRITICAL SAFETY ITEMS (CSI) - PROPOSED RULE

- **DFARS 246.371, Notification of potential safety issues**
- **Implements Section 8143, FY 2004 DoD Appropriations Act.**
- **Section 8143 requires DoD to examine standards and procedures to ensure timely notification to the Government and contractors regarding safety issues, including defective parts.**
- **Contains a new notification clause for use in contracts for--**
 - **replenishment parts identified as CSI;**
 - **systems and subsystems, assemblies, and subassemblies integral to a system; or**
 - **repair, maintenance, logistics support, or overhaul services for systems and subsystems, assemblies, and subassemblies integral to a system.**
- **Contractor required to provide written notification to the ACO and PCO within 72 hours.**
- **Contractor required to flow down clause to subcontracts.**

ASSIGNMENT OF CONTRACT ADMINISTRATION - EXCEPTION FOR DEFENSE ENERGY SUPPORT CENTER - FINAL RULE

- **DFARS 242.202, Assignment of contract administration**
- **DFARS 242.202(a)(i) provides exceptions to the requirement that DoD activities shall not retain any contract for administration that requires performance of any contract administration function at or near contractor facilities.**
- **A MOA between Defense Contract Management Agency and Defense Energy Support Center (DESC) added DESC as an exemption so it can perform contract administration for all contracts it awards.**
- **This was done to eliminate duplication of effort in bulk fuel quality management.**

EVMS VALIDATION AND COMPLIANCE REQUIREMENTS

Proposed DFARS Case 2005-D006

- **DoD is proposing to amend the Defense Federal Acquisition Regulation Supplement (DFARS) to update requirements for DoD contractors to establish and maintain earned value management systems (EVMS).**
- **Proposed DFARS Case 2005-D006 anticipated the published FAR EVMS rule.**
- **Federal Register Publication on January 23, 2006.**

DFARS TRANSFORMATION Technology Cases

- **Through DoD's DFARS Transformation Effort, the following technology related cases were finalized:**

2003-D053 - Update of Clauses for Telecommunications Services

2003-D054 - Update Information Technology (IT) Unique Procedures

2003-D055 - Acquisitions of Telecommunications Services

2003-D056 - Communications Service Authorizations

DFARS TRANSFORMATION Implementation Cases

- **Through DoD's DFARS Transformation Effort, the following acquisition implementation related cases were finalized:**

2003-D024 -Part 243, Contract Modifications

2003-D025 -Part 244, Subcontracting Policies and Procedures

2003-D027 -Part 246, Quality Assurance

2003-D045 - Part 251, Use of Government Sources by Contractors

2003-D046 - Part 249, Termination of Contracts

2003-D051 - Section 242.302, Revisions to List of Contract Administration Functions

2003-D082 - Part 204, Uniform Contract Line Item Numbering
